

# Middle School Behavior Reward

The Middle School Program will be earning “straws” for good individual and group behavior. They can earn a green straw for “doing to others what they would have them do to you” like:, being respectful to each other and other’s “stuff”, being helpful, listening to teachers, no fighting, etc.. Once they earn **25** green straws the kids will earn a pizza party on Fridays. An email & text will be sent out on Thursdays and we will post a note on the MSP information board letting parents know when the kids earn a pizza party for their afternoon snack. The kids will also earn orange straws for having good group behavior and listening during Christian Education/Devotion Time. When they earn **10** orange straws, they will earn a special treat to the like a cookie cake, ice cream, etc.

# Middle School Christian Education

**The Middle School Program will have a group devotion each day to begin their day.** Mrs. Caryn & the Middle Schoolers will look at subjects that are relevant to pre teens & teenagers. During this time they will talk about things that our kids deal with every day like peer pressure, relationships, school, etc. The kids will have the opportunity to share from their unique perspective and in turn support each other by listening to their viewpoints.
