

MIDDLE SCHOOL SUMMER CAMP

2018 Community Service Project

Craft Time with Mrs. Tabitha: Each week on Thursdays, the MSP kids will make handmade crafts to be sold at the Oak Forest Summer Camp church service on Sunday August 26th. All crafts made by the MSP kids will be sold at a craft show. All proceeds will go to the Charity of their choosing.

Bake Sale: At the Talent Show on Tuesday August 7th, a Bake Sale will be held and the MSP will help maintain the table while the Elementary kids and parents come to shop. All proceeds will go to the Charity of the MSP choosing.

Reward Field Trip: On the last Wednesday of Summer Camp, the MSP will go on a special field trip to reward the hard work during the community service project. Suggestions for the field trip will be taken and a majority vote will decide the destination.

Every Tuesday after lunch, the middle school kids will join the elementary kids during their reading time to share books of their choosing. The middle schoolers will be placed with groups of 2 or 3 children. They can choose to read to their small group or let the younger children take turns reading to them. Each week the middle schoolers will receive a new group to lead and will bring new books to share!

It's Game Time

"Game Time" with Mr. Jonathan: Each week, the MSP will research and teach a new gym game to the Elementary program. On Monday of the assigned week, the MSP kids with that week, will research games online with Mr. Jonathan. Throughout the week, the game will be tested during the MSP gym times. On Friday afternoon, the new game will be taught to the younger kids, and will be played with them in the gym.
