

Elementary Age Summer Camp 2018

Class/Activity Summary

Christian Education: Monday & Tuesday during summer camp, the Elementary Age will have Christian Education class. This summer we will be using “13 Most Important Lessons About God” and “13 Most Important Lessons About Living with Jesus” curriculum. “13 Most Important Lessons About God” helps kids both grow and become stronger in their Christian beliefs by teaching them the foundational truths of Christian faith. “13 Most Important Lessons About Living with Jesus” equip elementary kids to experience, grasp, and embrace the fundamentals of Christian faith & life by helping them learn, through his followers, how to live for Him.

Music: The kids will pick songs at the start of Summer Camp to practice throughout the summer to perform at the Summer Camp performance on Sunday August 26th at Oak Forest UMC’s 10:00am worship service.

Book Buddies: Each **Tuesday** after lunch, Middle School kids will be paired up with 2 or 3 Elementary Age kids and partner read with them during Reading Time. Every week kids will be rotated, making new groups each week. Middle School kids may read to the group, or have the elementary kids take turns reading to the group.

“It’s Game Time”: Each week, the Middle School will research and teach a new gym game to the Elementary program. Throughout the week, the game will be tested during the MSP gym times. On **Friday** afternoon, the new game will be taught to the younger kids, and will be played with them in the gym.

Themed Activities & Games: Each week staff will plan organized group games that tie into the theme week. Every **Wednesday**, there will be large themed activities planned by the staff or program-wide themed activities such as the carnival.
