

Middle School Behavior Reward

The Middle School Program will be earning “straws” for good individual and group behavior. They can earn a green straw for things like: being respectful to each other and other’s “stuff”, being helpful, listening to teachers, no fighting, etc. These rules the kids came up with are posted in their main room. Once they earn **25** green straws the kids will earn a pizza party on Fridays. An email & text will be sent out on Thursdays and we will post a note on the MSP information board letting parents know when the kids earn a pizza party for their afternoon snack. The kids can also earn green straws as a group by having good behavior and listening during Christian Education/Devotion Time.

Middle School Christian Education

The Middle School Program will have Christian Education every Monday and Thursday throughout the summer. The Middle School will be using **“Talksheets: 50 Ready-To-Use Discussions on the Life of Christ”** curriculum. This curriculum is discussion based and strives to open meaningful dialogue about Jesus. Each lesson includes questions in a compelling design that cover everything from the prediction of his birth to his ascension. Students will delve into each aspect of Jesus' life while looking at it through the lens of their own world and applying it to their own lives. These TalkSheets present every aspect of Jesus' life in a way that Middle School kids can connect with as they learn to apply the lessons to their own lives.
