POLICIES AND GENERAL INFORMATION

Welcome to Oak Forest After School Program and Summer Day Camp. We believe children need a safe, loving, nurturing, Christian environment in which to thrive and to feel good about themselves. We work to provide experiences to help children develop physically, mentally, emotionally, socially and spiritually.

The family is an important part of each child's development, and we recognize that parents are the first teachers of their children. Continuing communication and support between family and caregivers is vital to the educational process.

In order to serve the children and their families effectively, it is necessary for our staff and parents to clearly understand their responsibilities to each other. The policy statements in this handbook will serve as the basis of our operation.

Train a child in the way he should go, and when he is old he will not turn from it.
Proverbs 22:6
