

Elementary Age School Year 2020-2021

Christian Education & Discipline Policy Summary

Christian Education & Community Service: Mondays, Tuesdays, & Thursdays during the school year (*A/B Hybrid Schedule*), the Elementary Age kids will have Christian Education class. We will utilize various non-denominational curriculum to strive to teach students lessons about God's love, living in God's family, serving others, faith, stewardship, forgiveness, and other life lessons from the Bible. Lessons will strive to engage students with activities, stories, prayer, games, and imaginative/interactive Bible lessons. Christian Education class will be split into upper & lower Elementary groups. On **Fridays** we will choose a different community service project as part of our mission to give back to the community. *Special Seasonal Lessons, Crafts, & Christian Movies/Videos will be used to supplement our Christian Education throughout the school year.*

Discipline Summary: We utilize "Time Outs" as our main behavioral modification tool. Time Outs involves temporarily separating a child from an environment where as unacceptable behavior has occurred. They will then go to our "Time Out" area during Centers, Outside play, etc. Children's time-out period will be based on their age (i.e. a 10yr old will have a 10 minute timeout). If unacceptable behavior occurs frequently or is extreme, we will utilize others methods, such as restrictions on privileges, being sent to the Director's office, and parent involvement. We strive to maintain an open line of communication with parents/guardians in regard to their child's behaviors.
