POLICIES AND GENERAL INFORMATION

Welcome to Oak Forest Middle School Program and Summer Camp. We believe children need a safe, loving, nurturing, Christian environment in which to thrive and to feel good about themselves. We work to provide experiences to help children develop physically, mentally, emotionally, socially and spiritually.

The family is an important part of each child's development, and we recognize that parents are the first teachers of their children. Continuing communication and support between family and caregivers is vital to the educational process.

In order to serve the children and their families effectively, it is necessary for our staff and parents to clearly understand their responsibilities to each other. The policy statements in this handbook will serve as the basis of our operation.

Train a child in the way he should go, and when he is old he will not turn from it.
Proverbs 22:6

Oak Forest UMC Middle School Program Discipline and Behavior Management Policy

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

WE:

1. DO praise, reward, and encourage the children.
2. DO reason with and set limits for the children.
3. DO model appropriate behavior for the children.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to the children.
6. DO provide the children with natural and logical consequences of their behaviors.
7. DO treat the children as people and respect their needs, desires, and feelings.
8. DO ignore minor misbehaviors.
9. DO explain things to children on their levels.

WE:

1. DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
3. DO NOT shame or punish children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting, or sleeping.
6. DO NOT leave children alone, unattended, or without supervision.
7. DO NOT place the children in locked rooms, closets, or boxes as punishment.
